Employer description

Vera Financial is an Irish subsidiary of Cattolica group based in Italy.

Vera Financial develops unit-linked life assurance products for sale through distribution channels throughout the European Community on a freedom of service basis. The products are tailor made in order to satisfy the policyholders needs.

We aim to work with intermediaries such as banks and broker organisations, authorised to distribute insurance products in their own country, compatible with the freedom of service framework.

We also design life assurance wrappings over financial products or managed accounts.

Vera Financial is authorised and regulated by the Central Bank of Ireland.
