## **Job vacancy: Web developer – Junior Programmer**

**Number of available position: 1**

**Employer: Artscom Srls**

### **General information:**

Location: Trevignano Romano, Italy

Form of employment (job/traineeship/apprenticeship): Apprenticeship

Type of contract (part time/full time): Full time

Duration: Open-ended contract

The apprenticeship contract is conceived as a preliminary step to an employment contract. After 3 years, the apprenticeship contract is converted into an employment contract.

Gross monthly wage (Euro): between € 985,57 and € 1.407,96

During the first 3 years of work, the apprentice receives a percentage of the salary due at the end of the apprenticeship period (€ 1407.96):

- equal to 70% for the first year;
- equal to 80% in the second year;
- equal to 90% in the third year.

The initial salary could be increased according to experience.

### **Job description:**

ArtsCom, a leading company in the field of consultancy and PR services for the world of Opera, is always looking for new professionals to integrate into the team. It is looking for a junior programmer – Web developer even as a first experience.

In the course of the apprenticeship, the candidate will develop Full Stack skills as a developer of web oriented solutions. The skills that will be acquired in the training process applied to development will be an important wealth of knowledge that can be spent in the future.

The company offers a young and stimulating team with a strong propensity towards internationality. The freedom to propose solutions and be taken into consideration is an integral part of its policy.

Smart working: after the first period of alignment and coaching, it will also be possible to work remotely.
