 Top five countries of destination

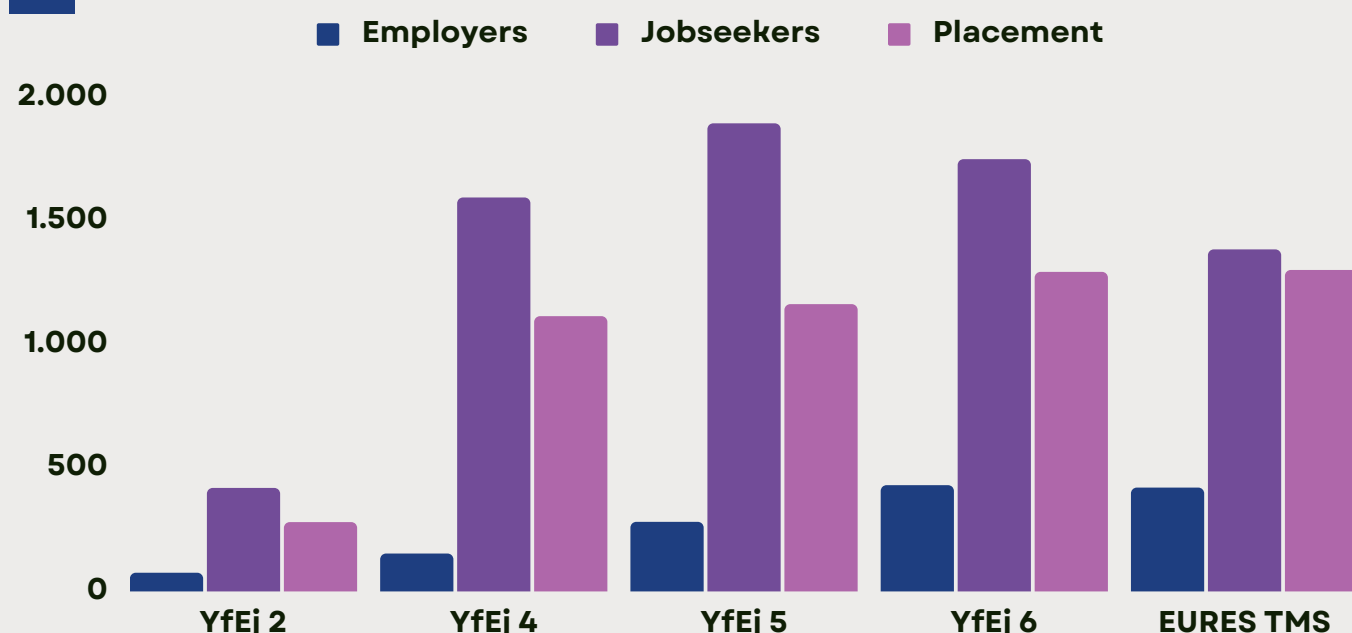

EURES TMS Activities

30/11/2022

Communication, Tools, Social Networks and TEmpl

From Yfej 2.0 to EURES Targeted Mobility Scheme

Please note: EURES TMS project is ongoing

DIGITAL RESOURCES GUIDE

In the framework of our EURES TMS initiative, our partner Eurodesk Italy is implementing a **Digital Resources Guide** containing useful information about major destination Countries in the EURES TMS project, for members of the FB community.

STATE OF PLAY

29 digital guides have been produced, **23** of them have been **already checked and validated** by partners and EURES NCOs.

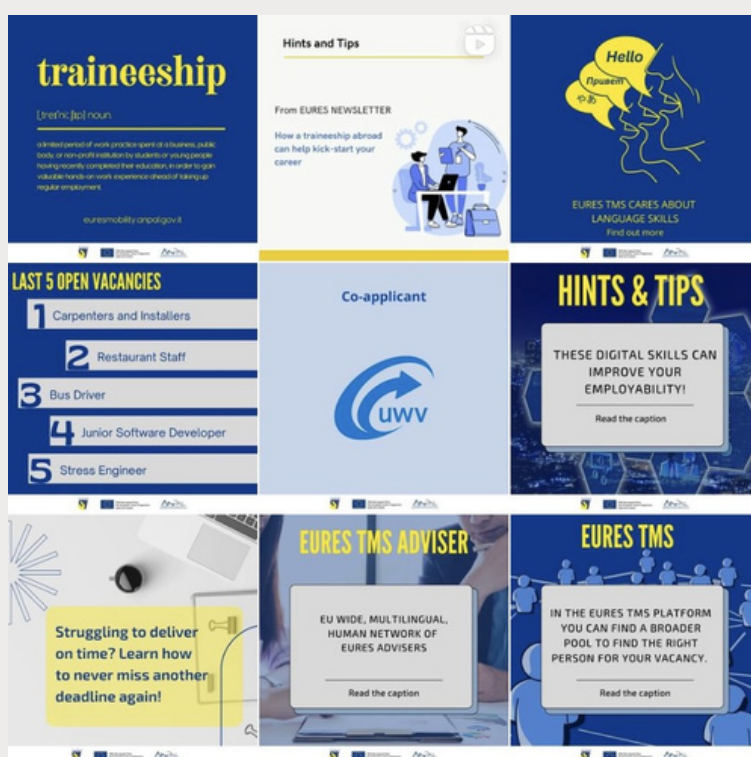

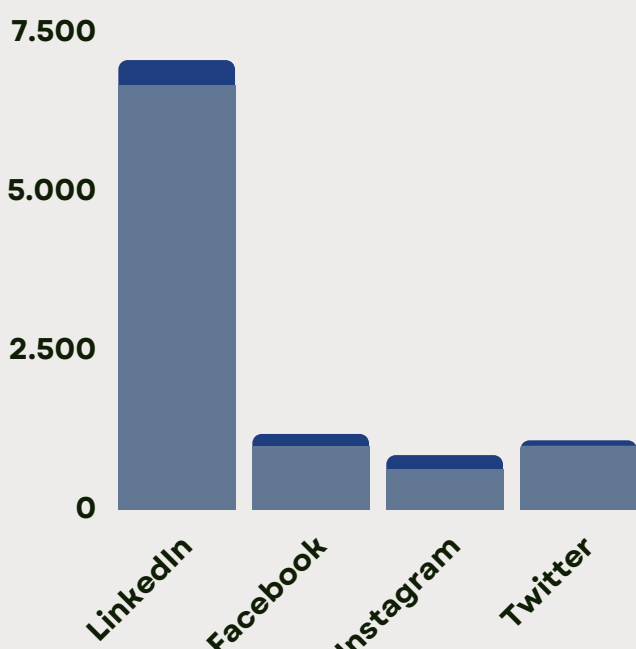

EURES TMS FACEBOOK COMMUNITY

516 members with a significant increase in **organic interaction**. A new approach has been established since **September 2022**: all registered jobseekers on the EURES TMS platform have been invited to participate to the Community. The **EURES TMS Community** is a safe space where jobseekers can get to know other participants and share with them **experiences**, fears, tips and important **achievements**.

Our social networks

In this chart, it is possible to observe how the EURES TMS social networks are constantly growing.

Some topics shared in 2022:

EURES TMS presentation, Hint&Tips, vacancies, events, EURES TMS glossary, news, partner.

Networks and
TEmpL

Benefit Instructions:

We are updating the **n. 9 guides** to support jobseekers and employers with all **procedures** according to IT platform development.

Please note: the guides are constantly updated and they can be found on the [website](#) and in the drive's [EURES TMS Consortium folder](#).

Video

New video! Besim Brijani released a video interview about his experience with EURES TMS.

FOCUS GROUP ROME 18/11/22 (EURODESK AND UNIVERSITY OF CAGLIARI)

15 participants from:
France, Italy, Spain, Belgium.
The focus group tool underlines the dimension of comparison and reconstructs the individual and collective experience together.

In order to create an **emotional video** about EURES TMS and the authentic protagonists – the candidates and their experiences – we used this chance to gather ten interviews. Stay tuned!

Top Employer Label 2022

We are looking for new employers for the **TEmpL 2022**, please let us know if you discover new candidates for the label!

This **label** award is given to employers who have offered **work-based traineeship** during **2022** within the EURES TMS project, that meet specific European **quality standards**.

Download the [flyer](#) and see the [checklist!](#)

NEW STORIES

[Here](#) you can find the new stories of our **testimonials!**

We're still looking for **stories** to tell! Share with us one or more names of **jobseekers** and **employers** who have a work experience with EURES TMS, having an interesting profile, and who are willing to be interviewed.

Testimonial Employer: Davide Ret from Vienna

"I believe it is crucial to have the chance to work with someone and discover their skills together [...] The traineeship is an opportunity for getting to know one another better."
