Video maker assistant Traineeship

The Role

A highly motivated and dynamic person, able to work under pressure and independently by managing her/his own time and work priorities. The TotalEu is a small team, hence this traineeship opening would suit somebody who is flexible, willing to learn, extremely interested in Eu policies and activities, with hands –on in video production, communication strategy, story-telling.

Who we are?: <http://totaleu.eu/who-we-are/> is a European video news production agency created by a dynamic team of video-makers and journalists covering all the main events of the European institutions (Parliament, Commission and Council) in Brussels and Strasbourg and the main event in Europe. Professional video recording of any kind of media events related to EU news in Brussels and Strasbourg, LIVE broadcasting and video packages editing are the services provided in the field of video news. Professional photo shoots of events, conferences, seminars and interviews in Brussels are done as well, as much as media trainings and single/multi cam web professional streaming of events and social media coverage with multimedia content. Instagram is the main news media channel (<https://www.instagram.com/totaleuproduction/>) where daily news from the EU Institutions is shared in Italian language. The target audience is mainly youngster who want to get closer to European content but don't have enough tools to do so: TotalEU Production, with the help of videos, infographics, photo-narratives and text, pursues the objective to deepen their knowledge in the European affairs by expressing and digitalizing its narrative.
